

2019 Solomon Awards Nominees & Winners

The WFX Solomon Awards recognizes churches and their partners for excellence in facilities design, building expansion or remodeling, operation excellence, innovative use, and technical production.

AVL Design and Installation – Other Religious Building or Use [301-800 seats]

Pure Heart Church; 5 Words Media

5 Words Media was blessed to provide Pure Heart Church in Glendale, Arizona, with professional Audio, Video and Lighting system design and integration, where the unique needs of the youth are met and they have a place to be discipled and worship God well into the future.

Building Contractor [1-300 seats]

Central Christian Church; Visioneering Studios Construction

Central Christian Church hired Visioneering Studios as their design-builder to reimagine their 7-acre campus on a minimal budget through strategic additions and renovations to their four existing buildings, giving their 1960s-era campus a facelift, including new finishes and outdoor environments that invite a new generation to
